

Hartford High School Transferable Skills

These one point rubrics are designed for students and teachers to collaborate in the process of reviewing evidence, reflecting on growth and identifying the next actionable step in a student's development in the transferable skills.

Students will gather evidence to share in student led conferences as they show growth in Hartford's proficiency based graduation requirements.

Curiosity and Imagination Rubric

Students will find opportunities to pursue personal passions and develop original ideas as they pursue knowledge in a given area.

Proficient
<ul style="list-style-type: none">● I can produce unique products.● I can ask questions to advance and develop my thinking and work.● I can identify themes and use these to make predictions.● I can find opportunities to pursue personal passions.● I can design my own learning experience to seek out new opportunities.
